

Yvonne Pfeifer

Director of Operations

Yvonne has been with IADLEST for over 7 years and manages all of the day to day operations. She oversees and manages all of the numerous grants and maintains the relationships with our federal partners as well as other supporters of IADLEST.

Yvonne also has the responsibility of overseeing the accounting functions and handles the day to day billing process and works closely with the financial auditors at year end. Additionally, Yvonne plans and manages the annual conference which entails scheduling, negotiating contracts and all financials.

Yvonne came to IADLEST from the private sector with extensive experience as a director of operations for several other industries as well as sales.
